REFRESHMENTS WILL BE SERVED

Dear parents,

École Alexandre-Taché is a new school flourishing with an increasing school population and an exceptional French language and culture program.

The Alexandre-Taché School Council has been working hard to lobby all levels of government in order to secure a **new school facility for our children**. We are working hard to ensure that the current school facility, a temporary facility, will be replaced in the near future.

It is essential that you attend this meeting in great numbers to show your support for this new school project. At this meeting we will be celebrating our successes and discussing solutions. We have invited important elected officials from all levels of government to collaborate with us to find a permanent solution to our temporary facility.

**Please plan to attend this meeting to support the Francophone education of your children. We want to ensure that our children have the best educational experience possible.**

Sincerely,

Alexandre-Taché School Council
